

Susquehanna Suzy

by Janie Meneely

Susquehanna Suzy, she's my sweet patootie
We go cruisin' and a'schmoozin' the whole night through
Ain't no doubt about it, gonna empty out my wallet
And I'm going home with Susquehanna Sue

CHORUS:

There's a moon up in the sky
Wild geese are on the fly
Come on, Honey, snuggle up with me
Imagine that we've got
A million dollar yacht

You meet me here at sundown, I'll give you all the low down
Tell you just exactly what I'll do
I'm gonna hoist the anchor, turn the engine on and crank her
And I'm going home with Susquehanna Sue

Susquehanna Suzy, she's making me all whoozie
I'm spinnin' and a'grinnin' a great big howdy-do
Sun is gonna shine on the day I make her mine
And I'm going home with Susquehanna Sue

CHORUS

There's no ifs and or maybes, she's a crafty little lady
Double-planked and Bristol through and through
She'll look so very sweet when I add her to the fleet
And I'm going home with Susquehanna Sue

Instrumental Break

CHORUS

It's happy ever after, a lot of love and laughter
Slap me happy, foot and fancy freedle-di-di
I'm filling the jacuzzi, I tell ya she's a doozy
Susquehanna Suzy and me
Susquehanna Suzy and me!
