

# Give Me a Ship

by Janie Meneely

CHORUS:

Give me a ship and a star to steer by  
Give me the gold of the setting sun  
Give me the restless, rolling ocean,  
We'll set sail before the day is done.  
We'll set sail before the day is done, oh  
We'll set sail before the day is done.  
Give me the restless rolling ocean,  
We'll set sail before the day is done

CHORUS

Gypsy wind come fill my sails  
Soft with salt and silver sea  
Speed over the restless ocean  
Send me over the rolling sea.

CHORUS

Sea hawk set your wings to guide me  
Soaring silent through the sky  
Guide me to the far horizon  
Safely to the other side.

CHORUS

Gypsy wind come fill my sails  
Sea hawk set your wings to guide me  
Soft with salt and silver sea  
Soaring silent through the sky  
Speed over the restless ocean  
Guide me to the far horizon  
Send me over the rolling sea  
Safely to the other side.

CHORUS +

We'll set sail (before the day is done)  
We'll set sail (before the day is done)  
We'll set sail before the day is done
